

Most fiscal note requests are made just before or while the legislature is in session. Below is a summary of the recent fiscal note requests.

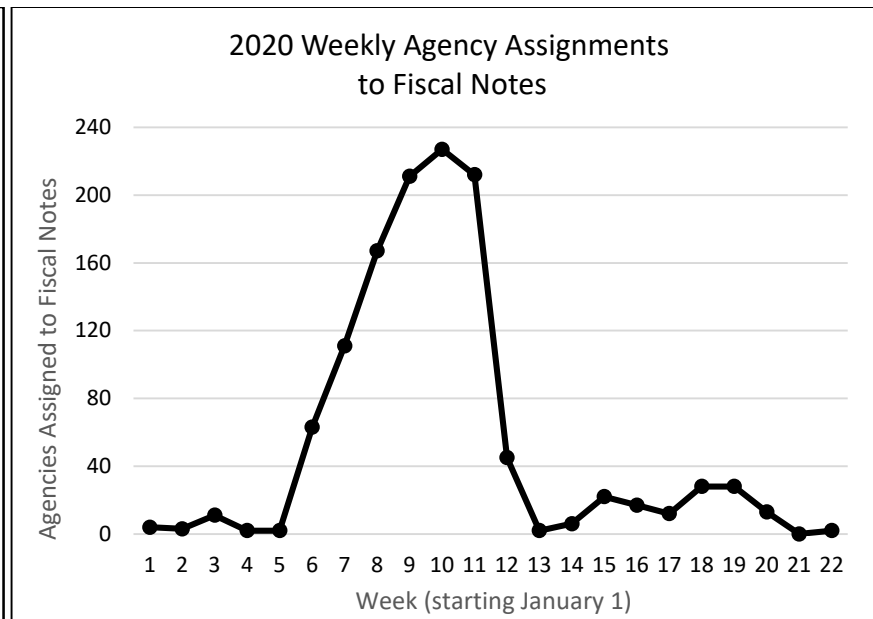

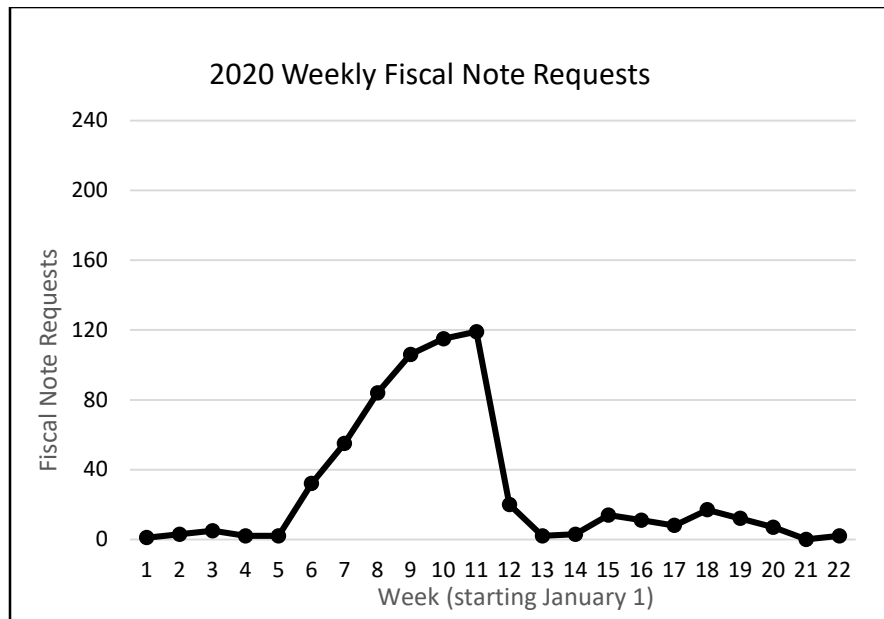

Fiscal Note Statistics for the Period May 15th -28th, 2020

Number of bills introduced: 25

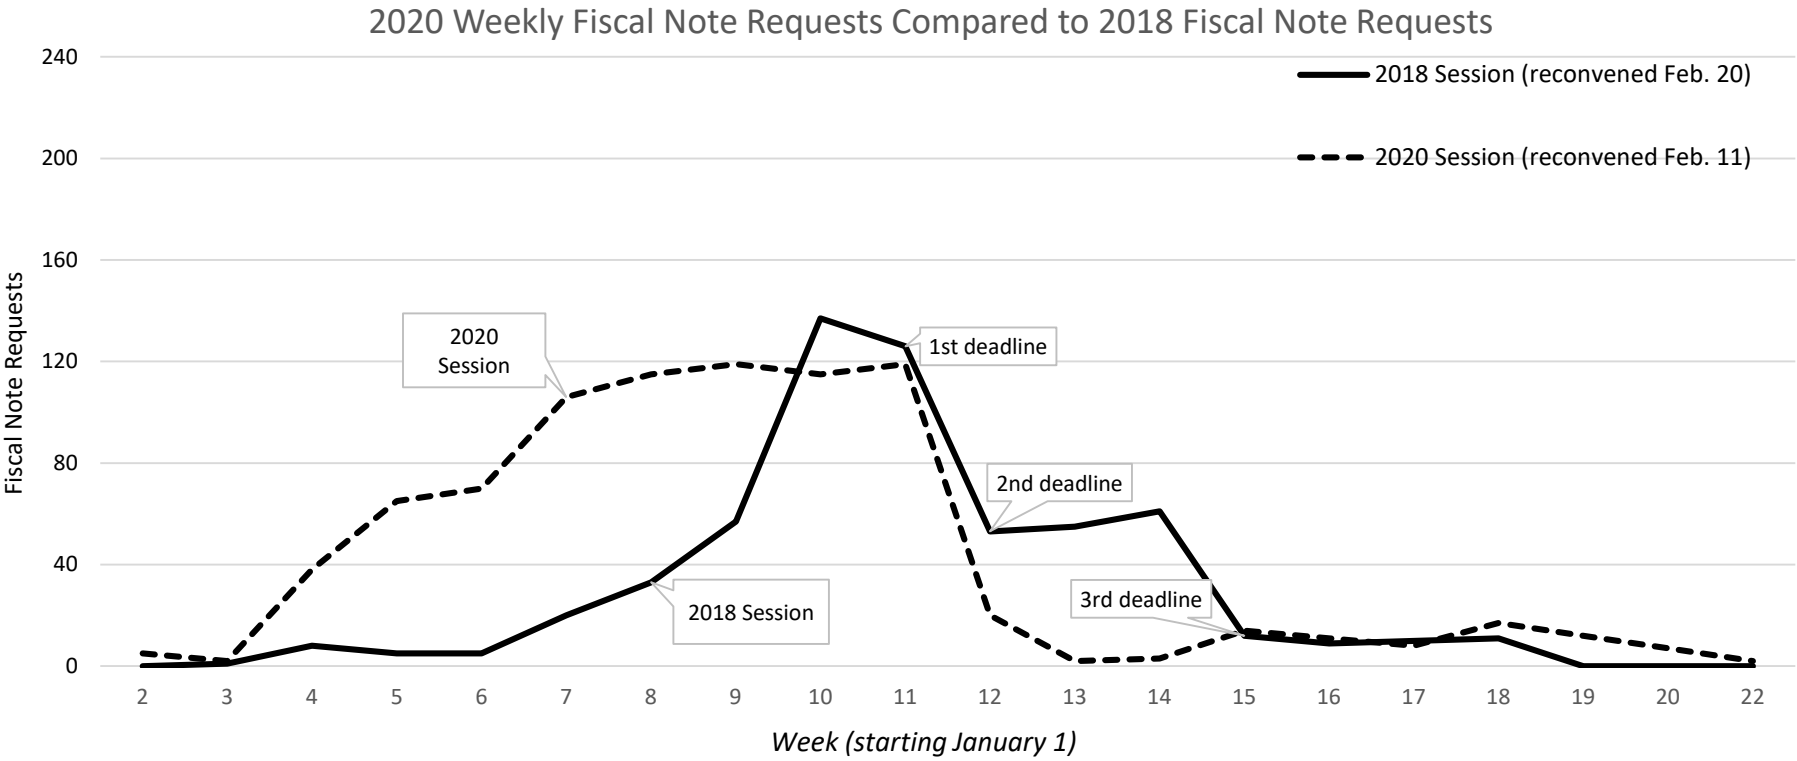

Fiscal Note Requests: 2

Notes:

- Not all bills have a fiscal note requested.
- One fiscal note request often involves multiple agency assignments.
- In the charts below, the drop-off of 2020 Session fiscal note requests at week 11 is due to the pandemic.

In the chart below, because fiscal note requests vary depending on whether or not it is a budget year, similar years are compared, not consecutive years.

2020 Fiscal Note Requests through May 28th, 2020:
